USC HOUSING

WELCOME HOME

A LETTER FROM USC HOUSING

Dear USC Housing Resident,

It's our pleasure to welcome you to USC Housing! Move-In Day for graduate students is scheduled for Monday, August 7, 2023.

This guide introduces USC Housing and helps you prepare for your arrival on campus. It includes general Housing information, frequently asked questions about Check-In and Move-In Day Locations.

Please reach out to your Housing Customer Service Center (CSC) with any questions you have before coming to campus. Your CSC's contact information is found on page 9 of this guide.

We look forward to seeing you when you arrive!

Sincerely,

USC Housing

Parking and Unloading

Unloading zones are for temporary parking only, a restriction which will be enforced by university officers. After dropping off your items, please move to the designated parking for your location. Be sure to pay attention to posted parking restrictions.

No special provisions for unloading will be in place for North University Park Campus locations, but associated university lots will be open for unloading only without permit on August 7 only.

Moving Your Stuff

Large wheeled bins will be available at each CSC for moving your belongings. They may be checked out for a limited time and are available on a first-come, first-served basis.

Elevators

Our large north campus apartment facilities have elevators, but many of our smaller buildings do not. You may need to carry your possessions up a flight or two of stairs in these locations.

What to Bring With You

We encourage you to adopt a minimalist approach when deciding what to bring with you. You may wish to coordinate bringing big items, such as appliances, with your roommate(s). Not everything has to be brought in on Move-In Day. Some items, like winter clothing for example, can be brought or shipped later.

You will need basic items, such as linens, toiletries and personal electronics. If you are living in an apartment and plan on preparing some of your meals, you will need to bring cooking and eating utensils along with basic cleaning tools and supplies.

Please Don't Bring

Pets – The only pets allowed in university housing are fish in aquariums of 10 gallon or less capacity.

Air Conditioning Units – If your housing assignment does not have AC, you cannot install or place a standalone unit in your room yourself. This is a physical alteration of the property, prohibited for safety and security reasons.

Dish/Satellite TV Receivers – Installing such a unit is a physical alteration prohibited for safety reasons. Remember: all USC housing facilities come with free digital cable TV service.

WiFi Routers – All buildings have USC Wireless and Guest Wireless. Installing your own router can interfere with the USC signal and is a violation of policy.

Hoverboards, Electric Scooters and E-bikes – Per university policy, these items are not allowed in housing facilities.

COMMON QUESTIONS

When is Check-In?

Check-In Day (or Move-in Day) for graduate housing is Monday August 7, 2023, from 8:30AM to 5PM.

Check-In continues Tuesday, August 8 through Friday, August 11 from 8:30AM to 5PM, and on Saturday, August 12 and Sunday August 13 from 10AM to 2PM.

What if I can't arrive on those days?

If you need to arrive before August 7 or after August 21, please contact your Customer Service Center (CSC) by e-mail as soon as possible and follow up by phone to make arrangements. The CSC responsible for your building is listed on page 10. Early arrival may be possible only for residents who have academic department obligations, and carries a fee of \$75 for each night stayed prior to August 7.

Where do I go for Check-In?

Check-In is held at the Customer Service Center for your assigned building. Please see pages 10-11 for a complete list.

What furnishings are provided?

Every USC housing facility is fully furnished. Most residents can expect an extra long twin bed (36" X 80") in double occupancy bedrooms and an extra long full size bed (54" x 80") in single occupancy bedrooms, a desk, a desk chair, dresser drawers and closet space. Apartments are also furnished with appropriate living room and dining room furniture, and if the unit has a kitchen, appliances (stove/oven and refrigerator). Each resident is responsible for supplying their own linens (pillows, blankets, towels) and in apartments with kitchens, cooking utensils.

How can I find out about the details of my contract?

Information about your contract can be found by logging into the USC Housing Portal. If you require a hard copy of your contract, you may request one at the central USC Housing office in the McCarthy Way Parking Structure (PSX).

What do I need to bring to Check-In?

Please bring photo identification (USC student ID, driver's license, etc.) with you to Check-In.

Will there be moving assistance at Check-In?

Unfortunately we don't have the staff to assist with moving in, but we will have a limited number of rolling bins available to help you move your belongings.

Is there a smoking policy?

All University facilities (including housing), regardless of location, are smoke-free environments. Smoking (including electronic cigarettes and vaping), is not allowed, even if roommates give their consent or the resident is the sole occupant of the apartment or residence hall room. All common areas - including apartment balconies - are also designated smoke-free.

Can I bring a pet with me?

Pets are not allowed in housing facilities for legal, health, and safety reasons. The only exception is tropical fish in a 10-gallon or smaller tank. Violating this policy may result in student conduct action, cancellation of your contract, and charges for fumigation, cleaning and damages. Pets are not permitted to "visit" at any time.

Can I have a visitor or family member stay with me during Check-In week?

University housing policy states that all contracted occupants of a room must give prior approval before a guest stays over. Since contracted residents have until the first day of classes to check into their space in USC Housing, we cannot allow overnight guests prior to Monday, August 21.

How do I ship my personal belongings to my housing space?

You may choose any carrier (UPS, U.S. Post Office, etc.) to ship your personal belongings. Please note, however, that we will not accept any packages for you prior to your arrival. Please time your packages to arrive after you move in. Your campus address can be found on pages 10-11, (room numbers are issued at Check-In). You may still have items sent to that address without the room number. Our staff will look up your room number and notify you when your packages arrive.

HOUSING INFORMATION

The following information is intended to provide you with a very general overview of the services, systems, and policies you will encounter while you live in USC Housing. A more detailed packet will be provided at Check-In.

Please remember: Customer Service Centers are your primary contacts for information!

Telephone Service

Since most college students rely on their cell phones, USC has removed phone landlines from housing buildings to reduce maintenance costs. Hallway phones are available throughout all facilities for emergency use only.

RESNET (Residential Internet)

All USC Housing facilities are equipped with one wired internet connection per resident. Residents will also be able to connect via the USC Wireless network. USC Housing student assistants will be available to help incoming freshmen with connecting to the USC network during Move-In. Just call Housing Maintenance at **(213) 740-4646** if you need help.

Cable TV Service

Cable service is provided in each apartment and residence hall room at no charge. Our cable system carries a wide variety of channels, including many in HD. The Stream2 app, available to all residents, allows streaming of the cable system on personal devices.

A complete listing of the available channels, TV connection instructions and Stream2 set up can be found on the Housing website.

Utilities

Gas, water and electricity are included in the rent for all USC Housing buildings.

Storage

Due to space limitations, we are unable to remove or store University furnishings already provided in the rooms.

Mail & Package Delivery

The U.S. Post Office is responsible for mail delivery to most North University Park area USC Housing buildings, placing the mail directly in the facilities' mailboxes. Most University Park Campus and USC Village buildings, however, have their mail sorted at a central location, either their Customer Service Center or the FedEx Center for USC Village residents. To ensure proper mail delivery, please refer to the Housing Customer Service Center Directory for your building's correct address. You will receive your room or apartment number after your arrival. Packages that do not fit into mailboxes are accepted by CSCs and residents will be notified that their parcels have arrived. Please remember - we cannot accept packages prior to your Check-In!

Laundry Facilities

Each building has at least one laundry room equipped with new green, high-efficient washers and dryers, owned and operated by a private company. The \$1.50 washing and \$1.25 drying costs are paid using the "WASH-Connect" app available for smart phones. Residents will need to provide their own detergent and other laundry products.

Maintenance

Housing Services Maintenance (HSM) is responsible for the maintenance of the fifty-six buildings in the USC Housing system. This includes repairs for the items in the residence halls and apartments and public areas in the buildings. Requests for service may be placed by phone, in person at your Customer Service Center, or at hsmtma.usc.edu. HSM maintains a 24-hour, seven days a week hotline for your convenience; that number is **(213) 740-4646**.

Housekeeping

Residents are responsible for the cleanliness of their individual spaces (residence hall rooms, suite bedrooms, apartments). All interior and exterior public areas (restrooms in suites and residence halls, hallways, lobbies, etc.) are maintained by USC Housing Custodial Staff. Each Customer Service Center maintains a small inventory of vacuum cleaners for residents' use. All other cleaning equipment or products must be provided by residents.

Prohibited Possessions

A list of prohibited possessions not allowed in residents' rooms is provided in the Housing Contract and Living Agreement. In addition, the following items may not be used in university housing: "glow in the dark" stickers, contact paper (except in drawers), torchiere halogen lamps, decorative lights, candles, barbecues or hibachis (in rooms or on balconies), hot plates, toaster ovens, or other cooking appliances in rooms without kitchens.

Renters Insurance

USC Housing is not responsible for items lost due to fire, theft or other damage. Residents are strongly encouraged to consider renters insurance. One option is Grad Guard. For more information visit www.gradguard.com.
